A. Related Truro School Policies

This Missing Pupils Policy should be read in conjunction with:

- Child Protection and Safeguarding Policy;
- School Rules and Behaviour Policies
- Pupil Attendance Policy

B. Aims

The procedures to be followed if a pupil is missing are designed to:

- protect the health and safety of all boarding and day pupils at the school;
- ensure that all school staff know how to respond if a pupil goes missing.

NB. *It is important to distinguish between a pupil's absence from school for an unknown reason and a pupil's disappearance from a lesson or activity after arrival at school.*

If a pupil is absent from school without any note of explanation, Office Staff will follow this up by contacting parents to establish the reasons.

C. Responsibility

Truro School has a duty to supervise pupils to the standard of a prudent or careful parent. All members of staff contribute to the safety of pupils at the School by providing appropriate supervision under the guidance of the Head and Senior Leadership Team (SLT).

To establish whether a pupil is missing it is a requirement to monitor the whereabouts of pupils. This includes the following procedures:

- during the School day, teachers must register pupils at morning and afternoon statutory registration along with all their timetabled lessons (see appendix for further details);
- for activities on Wednesday afternoons, staff in charge must register pupils in Sims;
- for boarders, house duty staff must ensure the signing in and out book is used correctly by pupils in boarding houses;

- for boarders, house duty staff must employ sufficient roll calls in the boarding house at appropriate times;
- for boarders, house duty staff must be aware of arrival times back at the house after a journey from friends or parents/guardians;
- on school trips, the staff in charge should ensure that scheduled meeting times and locations are specified and adhered to by pupils.

It is the duty of staff in charge of any pupil supervision to check why a pupil is absent, although during the School day this may be delegated if that member of staff is busy.

Summary of missing pupil procedures for school

- I. Establish that a pupil is suspected missing. Staff immediately inform the main office by telephone or via email enquiries@truroschoo.com
- II. If a pupil is suspected missing, **a search must be initiated**. This will include contacting the main office who will alert a member of SLT, questioning pupils and staff and trying to contact the pupil by mobile phone if possible.
- III. If **after one hour of searching** a pupil cannot be found, the Head, Deputy Head (Pastoral) or Housemaster/mistress will inform the parents. The School will then work with the family to try to locate the pupil.
- IV. If **after two hours of searching*** the pupil has still not been found, the Head or Deputy Head (Pastoral) will inform the police and their missing person procedures will be followed. Parents/guardians and Housemaster/mistress will also be notified.

*For any school trip, the police will need to be informed after just one hour. This will be conducted by the Group Leader and SLT will be kept informed.

D. Procedures for staff checking missing pupils during the day

Staff taking registers in class and for Wednesday activities must mark any missing pupil absent (unless indicated otherwise on SIMS).

Staff must not rely on the information of other pupils.

It is the teacher's duty to check why a pupil is absent from their class, although this may be delegated to office staff if the teacher is busy.

Once it has been established the student is missing staff should immediately inform the main office via phone or email, enquiries@truroschoo.com

The student will be searched for and the checks will include:

- the Medical Centre;
- Learning Support staff;
- visits/trips lists;
- the Music School;
- the Library;
- the relevant tutor;
- the relevant Head of Year;
- the SBA Sports Centre

D.1 Unexplained absence from statutory registration

If a **boarding pupil** is missing from morning registration up to morning break, the office staff will contact the Housemaster/mistress and a search of the House will be initiated. The Medical Centre will also be checked. If the pupil is not located, a whole School search is initiated.

If a **day pupil** is absent without explanation at morning registration, School Office staff will check if they appear late to registration during period one. They will also check for traffic problems or train delays which may help to explain the absence.

By 10.15am office staff check SIMs lesson registrations for updates, check the Medical Centre and any other appropriate staff. Following this, if there is a suspicion the pupil has been absent from school without explanation, office staff ring parents at home or work regarding the “unexplained absence”. If a reason for absence is provided, SIMs is updated and the office staff will collate a paper absentee list, passing this on to the Deputy Head (Pastoral). If there is a suspicion that the pupil arrived at school and then went missing, a search would be initiated and then procedures followed as for any missing pupil (see section C).

If a pupil has been in School for the morning and fails to attend **statutory afternoon registration** the staff in charge of the pupil must inform the school office via email and follow the procedure as for any missing pupil (see section C)

D.2 Following up suspicion of a missing pupil

If there is a suspicion that a pupil has been in school but subsequently gone missing after arrival, Office Staff will inform:

- the Head or Deputy Head (Pastoral);

- question friends of the pupil;
- question friends and staff who have recently been in contact with the pupils about their emotional state;
- try to contact the pupil using their mobile phone number.

D.3 Informing parents/guardians after one hour of searching for a missing pupil

If **after one hour of searching** a day or boarding pupil cannot be found, the Head, Deputy Head (Pastoral), Member of SLT or Housemaster/mistress will inform the parents. The School will then work with the family to try to locate the pupil.
