

15 MARCH 2024: TRURO SCHOOL NEWS AND UPDATES

Dear Parents and Carers,

I will, if I may, start this week's missive with a pop quiz:

Q1. *What is the title of the New Radicals' November 1998 single (which also featured in the soundtrack to the movie 'Surf's Up')?*

Q2. *What is the title of the 2010 Zac Brown Band album?*

The answer to both questions is: 'you get what you give'. If you managed to find the right answer, please treat yourself to an extra cup of tea, a slice of cake or a glass of something later this evening.

'You get what you give' has been our focus throughout the week and the term as we have looked at our interactions with others and identified that our actions are returned to us. For instance, a smile leads to another smile and kindness so often leads to more kindness. We have also identified that this works in a similar fashion with less positive emotions: rudeness and unkindness too often result in more of the same.

However, the input and output of such interactions are not always instantaneous or similar. We know that hard work leads to success but it often takes weeks, months, or years to reap the rewards of our efforts. This week's focus has allowed us to look at how our day-to-day work in the classroom, in the music school, in the art department, on the stage, on the sports fields and throughout the activities programme will eventually pay rich dividends. On a similar theme, the kindness, respect and support that we show to our peers and colleagues daily will help us develop long-lasting friendships and relationships.

Continuing on the same theme I have two rather lovely messages to impart. The first is courtesy of the raft of prospective parents who attended our open day last Saturday. In their own words, they were 'blown away by the confidence and kindness that they witnessed' and were particularly impressed by, 'the maturity of the children, their confidence in coming up to engage in conversation and the high expectations they have of themselves and others'.

The second is a simple observation of the children's extraordinary accomplishments that I have witnessed over the past week. I will not detail them all here as the list would be almost endless but I must make mention of fantastic academic work in the classroom, the choir, orchestra and spoken word competitors sweeping the board at the Cornwall Music Festival and some superb performances on the games pitches, cross-country course and in the pool. None of these things happen by chance, but as a result of continued hard work and dedication; the children certainly deserve these plaudits. Of course, my follow-up message was that we cannot afford to sit back and look at this as a job well done or to be complacent in any fashion - there is always room for further improvement and we will continue on this journey together.

This is also a perfect opportunity for me to thank you for your continued support for your children and the school. I thoroughly appreciate that sending your children to Truro School involves a great deal of sacrifice on your part, not to mention the countless car journeys, late evenings and a seemingly endless stream of permission slips and homework tasks. Your efforts are thoroughly appreciated by us here at school and, when they are old enough to truly appreciate it, I do not doubt that your children will feel the same way. In the meantime, take solace from the fact that your children continue to develop into kind, considerate, hard-working and incredibly capable young people.

Finally, you will shortly receive communication from Chris Dove, our Assistant Head Academic. Following several conversations and communications with parents, we have implemented a review of homework across the school. This began with staff, and has moved to the older pupils and you, as parents and carers, are next on our list. I hope that you will be able to contribute.

With my thanks as always and very best wishes,
Mr Rob Morse
Headmaster

Saturday 16 March

STEAM Discovery Day Community Event
For external pupils 10am-12pm

Monday 18 March

Reception Stay and Watch Swim
Prep pool, parents welcome 9am-10am

Year 2 Cross Country with Truro High & Polwhele Schools
(H) 2pm-3.15pm (2.30pm start)

Polwhele House and Truro High School (H) 2.30pm

Thursday 28 March

End of Term

Afterschool clubs will not take place but Homework Club and Pre-Prep afterschool care will be available

NOTICES:

1) School Uniform Shop Changes of Hours

Please note that there will be a change in the opening hours on the 17th April; the shop will be open from 10am-1pm and 4pm-6pm. We will update you shortly on opening times for summer holidays.

2) FTS Easter Quiz and Bingo Night

A reminder to sign up for the FTS Easter Bingo and Quiz Night that is taking place on Friday 22nd of March at 6pm. Full details and a link to book can be found [here](#).

3) FTS Big Beach Picnic and Beach Clean

A reminder that there will be a Big Beach Picnic held at Watergate Bay on the 21 April at 12pm. The picnic will precede the Family Beach Clean at 2pm. All are invited to come along for a fun day out. Please see the [poster](#) in this week's Bulletin.

4) 'World Down Syndrome Day' Thursday 21 March

Next week we will be talking to the children about the 'Lots Of Socks' campaign, which is an awareness campaign to celebrate everything that makes all of us different, and yet the same. We invite everyone in the school community to wear your brightest and boldest socks to celebrate the day.

You can find out more information [here](#).

15 MARCH 2024: TRURO SCHOOL NEWS AND UPDATES

Raising Red for Red Nose Day

Pupils across the Prep have been adding a touch of colour to their uniforms in support of this year's Comic Relief. The children ensured that the school site was a sea of red, adding red tights, jumpers and hair accessories to raise funds for the charity all whilst learning about what Comic Relief does.

Primrose Quartet Concert

Our lucky Year 6 pupils were treated to a musical feast thanks to the Primrose String Quartet, who visited Truro School Prep today.

Hosted by the school as a part of our ongoing programme of community outreach, our pupils were joined by children from local schools including Archbishop Benson, Bosvigo and Tregolls.

The afternoon offered a delightful programme of music, delivered alongside musical education and comedy stories. Highlights included 'Hedwig's Theme' by John Williams, which left many students astonished at the speed of the lead violin.

A striking viola piece also left mouths agape as pupils considered Hanslick's concept, 'the Beauty of Sound is Secondary'. Finally, the tale of Ferdinand the Bull, complete with a charging pianist and violin left all of the pupils enraptured and entertained.

We would like to thank Ian Halford for organising this wonderful afternoon of music; it was a joyful concert that had many toes tapping and all of our hearts lifted.

15 MARCH 2024: TRURO SCHOOL NEWS AND UPDATES

Success at the Cornwall Music Festival 2024

Truro School has had a fantastic week at this year's Cornwall Music Festival, with a record number of pupils taking part from both the Prep and Senior School.

The week began with a group of extremely talented poetry performers taking to the stage in the Wesley Hall at Truro Methodist Church. There were 14 pupils from Prep, who received feedback from the adjudicator Eleanor Mcleod that was both laudatory and constructive. Their performances were polished from the moment they introduced themselves to how they performed and then thanked all the people involved. They were courteous, confident performers who were a credit to themselves and the Prep School. Well done to all of our speakers; Florence, Tilda, Hugo, Sophie, Sylvie, Mia, Gracie, Niamh, Atti, Logan, Dylan, Penny, Ellie and Jenny.

Well done to the following pupils who won their classes:

Tilda - Year 5 set poem

Sylvie - Year 6 own choice

Atti - Year 6 humorous poem

Ellie - Year 5 humorous poem

Jenny - Year 5 Cornish poem

On Wednesday, the Prep Orchestra, directed by Mr MacQuarrie, took part in the Junior Schools Instrumental Ensemble competition for the first time. They performed their three pieces ('Theme Tune to the Muppets', 'An Dufunyan's' and 'Theme' from Handel's 'Water Music') beautifully and looked and sounded very slick and polished. All players had put in a huge amount of time and effort after school in rehearsals leading up to this event.

On Thursday, the Prep Choir, consisting of 37 singers in Years 5 and 6, took part in two competitions. Directed by Ms Renshaw, and accompanied by one of our piano teachers Mr Carne, the choir competed in two classes: the Hymn and Folk Song class (singing 'I the Lord of Sea and Sky' and 'Nine Brave Boys', a Cornish folk song arranged by Ms Renshaw) followed by the Junior Schools Choral class (singing 'Stars' and 'Icarus').

The choir sang extremely well; they were confident and clear, with lots of lovely expression and good technique. The adjudicator commented that they performed, "as one with many voices working together". Truro School Prep was placed first in both classes and presented with two shields, one of which is a beautiful copper shield dating back to 1915. This was the first time the choir had competed in this festival since 2018 and so it was a pleasing return to this type of occasion.

We would like to say a huge well done to all of the pupils from Prep who worked so hard this week. We will share the full results from Truro School and more photos online in the early part of next week. Thanks to all of the staff who made this week possible.

15 MARCH 2024: TRURO SCHOOL NEWS AND UPDATES

Morning Routines in Pre-Prep

Mornings at Pre-Prep are carefully crafted to create opportunities for developing key social skills and to ready our youngest pupils for a day of learning.

Every morning, families are greeted by the Heads of Pre-Prep, allowing them to check in and share any updates before the children head off to Willday House.

In KS1, the children are given some important social time while others read with adults. This time helps to support the development of listening, sharing and problem-solving skills and allows our children to regulate their emotions and relationships with other children.

They are then ready for their more structured morning activities including phonics four times a week and handwriting or targeted intervention activities for every child in Year 2.

In Reception, the day also starts with some social time before pupils move on to daily mindfulness sessions. This calms the pupils and prepares them for their day of learning, starting with a rotation of subjects including phonics, Maths, Spanish, Music, Forest School, swimming or PE.

15 MARCH 2024: TRURO SCHOOL NEWS AND UPDATES

Prep Open Morning

We were delighted to welcome a large number of families to our annual Prep Open Morning.

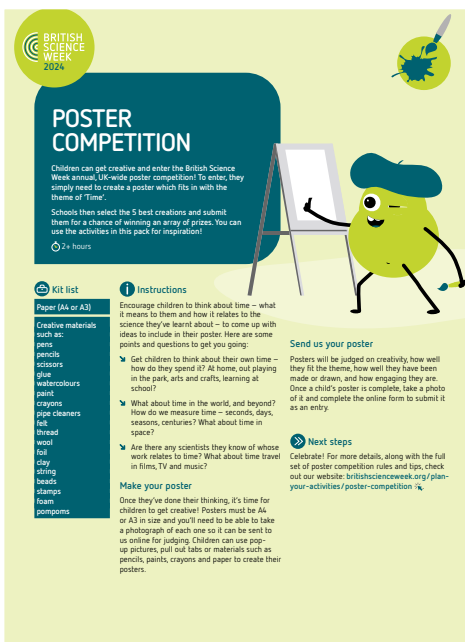

The site was buzzing with activity, offering a range of exciting experiences around the campus. Girls and boys had the chance to test their computer skills, unleash their creativity in our art room, and engage in hands-on science experiments.

A heartfelt thank you to all of the pupils and parents who volunteered their time, as well as to everyone who joined us for the day.

British Science Week

This week is British Science Week and to mark the occasion, our Year 5 and 6 classes have been looking at 'Time', the theme of this year's Science Week. They will be experimenting with pendulums next week and are making water and sand clocks, which will be judged at the end of term.

Years 3 and 4 have been looking at adaptation and camouflage and have been making moths, camouflaging them and taking photos of them to see how effective their camouflage skills have been.

BRITISH SCIENCE WEEK 2024

POSTER COMPETITION

Children can get creative and enter the British Science Week annual, UK-wide poster competition! To enter, they simply need to create a poster which fits in with the theme of 'Time'.

Schools then select the 5 best creations and submit them for a chance of winning an array of prizes. You can use the activities in this pack for inspiration!

24 hours

Kit list

- Paper (A4 or A3)
- Creative materials such as:
 - pens
 - pencils
 - scissors
 - glue
 - watercolours
 - paint
 - crayons
 - pipe cleaners
 - felt
 - thread
 - wool
 - foil
 - play string
 - beads
 - ribbons
 - foam
 - pom-poms

Instructions

Encourage children to think about time – what it means to them and how it relates to the science they've learnt about – to come up with ideas to include in their poster. Here are some points and questions to get you going:

- Get children to think about their own time – how do they spend it? At home, out playing in the park, arts and crafts, learning at school?
- What about time in the world, and beyond? How do we measure time – seconds, days, seasons, centuries? What about time in space?
- Are there any scientists they know of whose work relates to time? What about time travel in films, TV and music?

Send us your poster

Posters will be judged on creativity, how well they fit the theme, how well they have been made or drawn, and how engaging they are. Once a child's poster is complete, take a photo of it and complete the online form to submit it as an entry.

Next steps

Celebrate! For more details, along with the full set of poster competition rules and tips, check out our website: britishscienceweek.org/plan-your-activities/poster-competition.

Make your poster

Once they've done their thinking, it's time for children to get creative! Posters must be A4 or A3 in size and you'll need to be able to take a photograph of each one so it can be sent to us online for judging. Children can use pop-up pictures, pull out tabs or materials such as pencils, paints, crayons and paper to create their posters.

All children from Prep and Pre-Prep are also invited to take part in the British Science Week Poster Competition (full details here). To enter, they simply need to create a poster which fits in with the theme of 'Time'.

Please submit your entries to rjp@truroschoo.com or bring them to your children's form teacher before the end of term.

The best 5 creations will be submitted to the UK-wide schools' competition for the chance to win some fantastic prizes.

We look forward to sharing more science updates with you next week.

15 MARCH 2024: TRURO SCHOOL NEWS AND UPDATES

Year 3 House Swimming Gala

Our Year 3s started the week with another stand out swimming gala. It was an afternoon of courage and compassion with every participant trying their hardest and showcasing their skills all whilst racing for points for their houses.

Of course, there could only be one house winner and although the scores were close throughout, Wickett ended on top. A huge congratulations also to our Victrix and Victor and runners up. This year saw Daisy H for Victrix, and runner up Mabel L, with joint winners for Victor Edward S and Max S, and runner up Henry C.

U9 Bee Netball and Football v Plymouth College

Last week saw Prep take two netball teams to Plymouth College to play Bee Netball. This programme from England Netball enables children to learn the game in a way that is just right for their stage of development, with Years 3 and 4 playing modified rules. Teams were four-aside, with a lowered 8ft post, played across a third of a netball court. All players could play attack and defence and move everywhere on court.

We had a great afternoon - looking before the pass, moving into space to receive the ball and scoring goals. Well done to our squad of Ashleigh, Hennie, Freya, Audrey, Endelyn, Emily, and Seren.

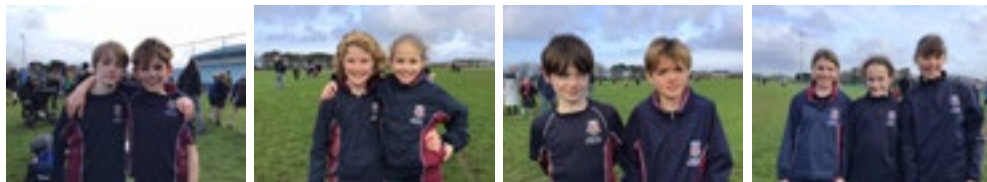

Football v Plymouth College

Our footballers were also in action at the U9 Football Festival at Plymouth College. Our team played extremely well, scoring goals in every game, and winning each of their games. Amazingly, they only conceded one goal in the festival.

They were deservedly winners of this event and brilliant ambassadors for the school. Thank you to all the parents who supported both the football and the netball, and also to Plymouth College for hosting us. Well done to our squad of Ollie S, Rohan, Arthur W, Sienna, Harry B, Albie S, and Theo W.

Cross-Country Success

Congratulations to our 14 cross-country runners, who showed determination and courage in their racing at Pool Academy on Monday afternoon.

This was a great effort from our team, with some exceptional individual performances from Sienna (2nd in her Year 4 race), Ollie S (4th in his Year 4 race), Reggie (4th in his Year 5 race) and Archie (1st in his Year 6 race).

Nine runners have qualified for the County finals that take place at Newquay Sports Centre on Monday 25th March: Year 4 - Ollie and Sienna, Year 5 - Ellie, Reggie and Scott, Year 6 - Rosie, Archie, Jacob and Rowan.

15 MARCH 2024: TRURO SCHOOL NEWS AND UPDATES

U11 County Hockey

Congratulations to both hockey teams for their consistent performances at the U11 County tournament, held in Penzance on Friday 8th March. This was a particularly well attended tournament, with teams from St. Hilary, Gulval, St. Ives, Cubert and Alverton Schools.

Both teams played extremely well to win the majority of their matches, with our 'A' team only losing the one match.

In particular, well done to both of our goalkeepers - Ben T and Thomas A, who were superb at stopping shots on goal and clearing the ball out of the circle.

Our 'A' team finished in a very close third place - there was very little between any of the top three teams this year, and our 'B' team finished in sixth place overall (despite winning and drawing a few of their games).

Many thanks to all the parents who came to support, and our grateful thanks to Paul Scullion for his assistance with coaching and umpiring the teams.

IAPS Gala

A whopping 18 pupils from Years 5 and 6 travelled to Millfield for the qualifying round of the IAPS national swimming gala last week. Initially, the venue and event were a little overwhelming as some swimmers forgot the competition rules and were sadly disqualified.

The swimmers did not let this affect their subsequent events and they all swam to the best of their ability.

It was also exciting to have two olympic swimmers at the event, James Guy and Matt Richards. The official results will be shared at the swimming pool and on the Millenium notice board as soon as they have been published.

Year 6 House Gala

The whole of Year 6 travelled to Truro School for their annual house swimming gala on Thursday 29th February. Many of the races were very close keeping the timekeeper and place judges on their toes.

Several of the best swims of the event weren't necessarily the winning ones however, but were swam by children who produced their best swim and overcame worries to rise to the occasion.

The winners of the Morgan Cup and Goddard Cup (50m Front crawl winners) respectively this year were Finlay 6DG and Charlotte 6JL.

Congratulations to the Victor Ludorum Finlay and Runner-Up Isaac H and Victrix Ludorum Isabella and Runner-up Hetty.

Pre-Prep

Achievements

Our Learning This Week:

In Nursery, the children have looked at keeping healthy, how exercise helps and how a bike (the next vehicle they have studied) is a good way of getting exercise.

In Reception and Year 1, the children have had the opportunity to learn about St Patrick in advance of this weekend's celebrations.

We launched our own Science Week in KS1 this week and the children have been completing different activities related to the topic of 'time'. The children will continue this as a part of their lessons next week when we will share their work.

In Year 2, the children have been monitoring the weather and how it changes, or not, in our case! We also studied science fiction and, using Word during our computing lessons, have written riddles about fictional aliens from popular shows.

Rev Helen joined us in Assembly on Thursday and discussed the importance of forgiveness and acceptance.

15 MARCH 2024: TRURO SCHOOL NEWS AND UPDATES

NEWS & INFORMATION FOR PARENTS

Bereavement and Serious Illness

In times of grief, the support and understanding we offer our children can profoundly shape their emotional well-being and resilience.

Loss is an inevitable part of life, and children, like adults, experience profound sorrow when faced with the death of a loved one. However, they may lack the emotional vocabulary and coping mechanisms to articulate their feelings effectively.

By fostering open communication, empathy, and understanding, we can empower our children to navigate through their sorrow and emerge stronger from their experiences.

Penhaligon's Friends is an organisation which is available to support those children and young people who have experienced the death of someone special who was close to them. They can also help if someone special has received a serious illness diagnosis.

All the helpers have had special training to enable them to support you if are grieving the loss of someone you loved. They do this through a variety of activities.

All the helpers are used to working with children in a range of settings and are very committed to making sure that they offer you the best support they can. They will usually come to visit you in your home or school, wherever you feel most comfortable, to tell you about our special days and to find out more about how you may be feeling.

If you would like to contact Penhaligon's Friends, their contact details are:
01209 210624 or www.penthaligonsfriends.org.uk

We have a 'Bereavement Box' in school which has lots of useful resources too, including stories and leaflets which may help you and your child. Should you wish to borrow the box please contact Mrs Millne; km@truro-school.com.

FRIENDS OF TRURO SCHOOL

EASTER BINGO AND QUIZ WITH KIDS' MOVIE

Friday, 22 March
6pm start - £10pp

Truro School Prep

[CLICK HERE TO BOOK](#)

Password: FTS

Come and join us for a fun Easter quiz & bingo night at the prep school. Children are welcome to join in the fun or alternatively they can enjoy a movie with their friends.

Teams of up to 8. You can enter as a team or come on your own and make some new friends!

There will be a fun games with prizes and Easter Eggs a plenty to be won. A pasty supper will be provided (you can choose from a meat or veggie option). BYO or a paid bar will be available.

During the evening, there will two different movies (Prep & Pre-Prep) screened in the Millennium building and supervised by a member of staff. This is for children whose parents are going to the quiz. Kids can wear Pyjamas or comfy clothes and bring pillows & blankets if they like. We will provide the drinks and popcorn.

TICKETS ARE FOR THE QUIZ ONLY - KIDS MOVIE IS FREE.

Proceeds will be donated to The Starlight Ward Grand Appeal.
For any questions please contact fts@truroschoo.com

DRAMA WORKSHOP

Beauty & The Beast @ The Burrell Theatre Truro School

Date: 2nd & 3rd April

Time: 0830 – 1700

Age: 7 – 13 Years

Cost: £65 for 2 days

A theatre workshop based on the famous fairy tale 'Beauty and the Beast' exploring the characters using dialogue, dance, ensemble work and physical theatre which will create a performance of the story. This workshop will give your child the opportunity to make friends, have fun playing drama games and theatrical exercises and also develop some great drama skills led by our experienced team within the Burrell Theatre at Truro School. There will be an opportunity on the second day to make some props and pieces of costume to use in the performance. Some stage make-up may also be used so please advise of any allergies when signing your child in. Your child does not need any previous dancing or acting experience, just a willingness to be part of an ensemble and have fun! Their work will be showcased in a small performance at the end of the second day enhanced by the use of sound and lighting for parents and carers.

For more information please visit our website: www.sirbensliesportscentre.com

www.viaferratacornwall.co.uk

Are your children **aged 6-13**, up for fun **outdoor adventures** and ready to learn **new skills** and make friends?

CHECK OUT OUR ADVENTURE HOLIDAY CLUB!

This Holiday we're running **climbing, archery, canoeing, zip-lining, adventure quarry games, bushcraft, raft building, quarry-steering and catapulting!** You can simply drop your children off and leave them with us for an **epic adventure to remember!** We offer flexible options to fit around your working day, so you can treat your child to half a day or a full day with us.

We also offer **family days out**: there's the chance to take on the Via Ferrata, the **ultimate high wire adventure** with zip wire, as well as the new Zip Wire Safari! There's also a Cafe, **free nature trails** and a wild play area for under 10's. Check out our website for more.
