### Judo

**Harriet (5JE)**, fought brilliantly in the West of England schools championships held at Weston-Super-Mare on Sunday 21<sup>st</sup> November. She won her fights with ippon (maximum score), except the last one. As a result she won a silver medal and is now ranked number 2 in her age and weight group in the West of England (7 counties). Only those who were graded yellow belt or above could compete to ensure a high standard. Harriet has the primary equivalent of yellow belt. This is a great achievement: well done.

Some of our Judo players from the Prep attended double Olympian Ashley McKenzie's winter masterclass at St Ives Judo Club on Sunday 4<sup>th</sup> November. Ashley, who won British Judo Player of the Year the night before, was driven down from Nottingham and arrived amazingly full of life in St Ives. His style is infectious and all the children thoroughly enjoyed the time he spent with them. The following children attended: **Olliver, Toby & Bradley (4TT), Harriet (5JE), Kayo (5SL), Elsie (6AG), Henry (6SS), Anna (former pupil)**. It was a brilliant end to the half-term holiday.

**Rob Piper, Judo Coach**

## Football Report

**Monday 5th November: Truro Prep (B) 3 v Archbishop Benson (B) 2**

In a spirited team performance against strong opposition, Truro Prep eventually won 3-2 in a hard fought match. There were good opportunities on goal for both teams, with some excellent saves made by goal keeper, Dexter. The first Truro goal was scored by Jack with a tap in. Archbishop Benson replied quickly with an equaliser. Persistent attacking play from Jowan led to a cross to Max, who scored our second goal. The opposition responded to bring the score level at 2-2. Jack and Ivan worked tirelessly in defence to prevent more goals. Freddie scored the crucial goal with a cross from Charlie to win the game for Truro. In the end it was a good team performance.

## Remembering 100 years

The humanities staff would like to thank all pupils and families for their work over the holidays relating to World War One. Pupils have shared their stories and listened respectfully during lessons this week as well as decorating poppies in memory of their named person. These will be displayed in the foyer of the assembly hall for the duration of next week.
