Head Lice

It has come to our attention that several pupils in the school are suffering with head lice which is being treated. However, we need to ask all parents of pupils to check their child's and siblings' hair for head lice and eggs and to treat as necessary. Please also continue to check each week for 3 weeks as this problem relies on everyone's vigilance to be eradicated. Treatment is by

- Wet combing – this is a method of removing lice with the regular use of a fine-toothed comb (the teeth of the comb must be 0.2 to 0.3mm apart). You need to comb through the entire head of washed hair (generously covered in conditioner) every four days for at least two weeks. It's important that you keep doing this until there have been three consecutive sessions without seeing any lice
- Medicated lotion or spray is an alternative method for treating head lice. However, no medicated treatment is 100% effective. Your pharmacist will be able to recommend an over-the-counter lotion or spray

IT'S ALL CHANGE FOR CORNWALL BUSINESS FAIR 2018!

Following three successful years at Eden, Cornwall Business Fair 2018 will have a new location, new running order and new date, ensuring an even broader mix of exhibitors and increased footfall.

Cornwall Chamber of Commerce asked its members to suggest the perfect exhibition venue in Cornwall and believes Truro School, overlooking the city centre, comes pretty close. The Sir Ben Ainslie Sports Centre will host the main exhibition space for over 100 exhibitors in a purpose built shell scheme.

A ticketed breakfast and late afternoon event will be held in the school's old sports hall, leaving visitors with an uninterrupted 5 hours to attend the exhibition, hear from some brilliant speakers and make those all important business connections.

Kim Conchie, Chief Executive of Cornwall Chamber of Commerce, said: "Like business in Cornwall, at Cornwall Chamber of Commerce we like to keep things fresh and vibrant so felt it was time to make a few changes to Cornwall Business Fair 2018. I'm confident the revised format will create a real buzz that will appeal to visitors and exhibitors alike."
