

Admissions Process

The first step in the process for any admission is to complete and return the **Registration Form**. The exact process varies depending on your child's age on entry.

Truro Prep School

Pupils join Truro Prep at any age from 3 to 11 years old. In the Nursery, pupils join in the half term after their 3rd birthday, whilst pupils from Reception to Year 6 may join at any point. Prospective parents are encouraged to make an appointment with the Head's Secretary, Simone Weston, to meet either the Head or the EYFS Coordinator for a tour of the school. To make an appointment please call 01872 243120 or email prepadoptions@truroschoo.com.

For pupils ages 3 to 4 (Nursery) Before joining, you and your child will be invited to a Taster Day. This is an opportunity for you as parents to have an informal discussion with the staff of the Pre-Prep.

For pupils ages 4 to 7 (Reception, Year 1 and Year 2) Admission is based on a Taster Day during which the class teacher will assess your son or daughter at an informal level.

For pupils ages 7 to 11 (Years 3 to 6) Entry is based on assessments in English, Mathematics and Non-Verbal Reasoning. These are designed to be done on sight and no specific preparation is required. Pupils are invited to spend the day at the school, usually undertaking the tests in the morning before joining a class. A report from your child's current school is useful.

Truro Senior School

Admission to Truro School's 1st to 4th Year (Year 7 to Year 10) is by Entrance Examination, school report and interview. Admission to the Sixth Form is by school report and interview and is based on predicted GCSE grades or equivalent.

Further detailed information is available in the Admissions Policy, which can be found on our website.

Financial Assistance

Scholarships

Truro School awards a variety of scholarships to candidates at 11+, 13+ and 16+, i.e. into the 1st Year (Year 7), 3rd Year (Year 9) and Sixth Form (Year 12). Boy Chorister scholarships are awarded for entry into Prep Year 4 and Girl Chorister scholarships are awarded at 13+ for entry into Senior 3rd Year (Year 9). The principle behind the scholarships is to attract pupils who will be front-runners in each area of activity - such pupils benefit all by setting high standards. The award carries the kudos of the scholarship and with it a fee discount of 5% or 10% with some enhanced scholarships for 16+ students. Any further funding assistance would be in the form of a Means-tested Bursary. All scholarships are awarded on the understanding that the recipients will make good efforts in their studies and contribute to the scholarship specific area of school life. Further information is available on our website.

Means-tested Bursaries

Truro School welcomes applications from pupils whose parents cannot afford the fees in full or in part. These Means-tested Bursaries are made at the same time as scholarships but all those wishing to apply should complete a financial declaration form (available on-line or from the Admissions Office). The completed financial declaration form should be returned, in confidence, to the Finance Manager. Offers of Means-tested Bursaries will be made at the same time as other places. Pupils who wish to enter for a scholarship at the same time may do so and, if successful, this will be offered in addition to the Means-tested Bursary. Truro Prep does not offer Means-tested Bursaries.

Childcare Vouchers

Truro Prep accepts payments via Childcare Vouchers of School Fees and additional charges up to and including the term when a child turns five years old. From five years onwards, vouchers can then be used for Pre-Prep and Prep After-School Care Club and Early Bird Club. Truro School accepts payments via Childcare Vouchers for the boarding element of the fees, up to and including the summer term after a child turns 15. The Childcare Voucher companies we currently receive payments from are: SODEXO; KIDDIVOUCHERS; FAIRCARE; COMPUTER VOUCHER SERVICES and CARE 4. All these CCV companies can be found online.
