

Dear Parents, Guardians and Carers,

As we reach the end of another vibrant week, I am thrilled to share some of the excitement and buzz which is endemic on our campus.

This week has been particularly 'buzzy' as our 5th Years embark on the journey of making crucial choices that will shape their future. On Monday evening, we hosted our Sixth Form subject consultation and options evening, following the Sixth Form taster days earlier in January.

The Wilkes building was a hive of activity as the 5th Year pupils were fine-tuning their thoughts around their next steps in discussions with our department leads and the academic team. I have been impressed by the intensity and focus displayed by our 5th Year pupils through the Sixth Form taster days and options evening. Heads of department, alongside the academic leadership team, are, as always, still available for advice and guidance at school before the deadline for options forms on Tuesday 30 January.

In addition, to the A-Level deliberations, I am delighted to inform you about the inspiring prefect applications we have received from our current Lower Sixth pupils. Witnessing the dedication and enthusiasm displayed by our students in seeking leadership roles is truly heartening. Their desire to contribute positively to the school community is a testament to the exceptional character that defines our pupil body. The written applications are impressive, and departments are busily reviewing them all. We look forward to sharing the outcomes in the coming weeks.

Further excitement has continued to build since we formally unveiled the Truro School Music Project. There has been a prolific response to our invitation to join us on Saturday 3 February at 7pm in the Assembly Hall for an "enchanted evening celebrating the importance of music at Truro School". To avoid disappointment, book your place [here](#).

Finally, and on a more sombre note, this Saturday 27 January is Holocaust Memorial Day. We hold all of the international communities affected by the atrocities of genocide in our thoughts and prayers and in chapel this week, the Reverend Helen has been leading us in thinking about how we are all connected and how the whole of humanity is one. This day reminds us of the importance to remember that connection and to pray for a world where such atrocities will never happen again. Warmest wishes for the weekend,

Shaun Pope
Deputy Head (Academic)

Celebrating Offers from Oxford

We are proud to announce that three exceptional students have received offers from Oxford University. We extend our heartfelt congratulations to Tara, Imogen and Louis.

Tara, Sixth Former and Head Girl, has been offered a place at Oxford to study Law. Tara, who has been with us since Prep, expressed her excitement, "This is such an exciting time for me. I have been truly inspired to pursue Law through my A-Level RS course, which I have thoroughly enjoyed. Lady Margaret College is an incredibly inspiring and exciting place for my next learning stage."

Additionally, two students from the class of 2023, Imogen and Louis, have also received offers.

Imogen has secured her place at Merton College to study English Language and Literature. Having studied English at A-Level, Imogen shared her captivation with the art of language and how literature can preserve it while offering insights into diverse perspectives. She expressed her gratitude, saying, "I am so excited and feel incredibly honoured and lucky to have been given this opportunity. As an ex-chorister, I am particularly looking forward to singing in Merton College Choir, as I have a strong desire to continue singing at the university level. I owe everything to my teachers at school, as without them, I wouldn't be in the position I am now."

Louis, who studied A-level Maths, Music, and English, has received an offer for an Organ Scholarship to Lincoln College Oxford to study Music. Subject to meeting requirements, he eagerly anticipates the privilege of working with and conducting the Lincoln College Choir and the international tours the choir offers.

We extend our warmest congratulations to this trio of exceptional students. We would also like to express our gratitude to Mrs Selvey, who leads the Oxbridge program, and the many dedicated staff members across all departments who work tirelessly to support our students in their interview and admissions preparations.

Insight to Business at Healey's

Students were warmly welcomed and given a tour of the farm and factory at Healeys Cyder Farm. Led by the knowledgeable staff, they had the chance to witness the intricate processes involved in crafting their renowned ciders. This hands-on experience allowed the students to appreciate the meticulous attention to detail and the dedication required to maintain the high-quality standards of Healey's products.

Furthermore, the students were encouraged to ask questions during a Q&A session with Joe Healey (COO). Joe's expertise and willingness to share his experiences allowed the students to gain a deeper understanding of the challenges and opportunities faced by Healeys Cyder Farm. Read more [here](#).

Is Nansledan Sustainable?

As part of their GCSE Geography studies pupils have been partaking in fieldwork this week, and they even managed to get caught in some snow.

The group ventured to Nansledan to complete the work investigating whether it is a sustainable settlement. The pupils worked on data collection, creating environmental surveys, parking surveys, and taking traffic and people counts. They also courageously interviewed local residents to complete their questionnaires. Mrs Wormald was thoroughly impressed with the pupils' attitude to their studies, and at the confidence they showed in speaking to members of the public.

The Art of Persuasion

Three promising teams of debaters represented Truro School in the South West and Wales round of the Schools' Oxford Union Debating Competition, where more than forty teams took part. Hosted entirely in Zoom break-out rooms for the first time, this was a fascinating experience for our Sixth Formers.

With only ten minutes to prepare for each motion and a randomiser deciding whether you propose or oppose the motion, this was a high-adrenaline competition, with five-minute speeches, plenty of live rebuttals and points of information being thrown from all sides.

Sports News

It's been another fantastic week of sport with superb results and efforts in rugby, netball, hockey, cricket, football, and sailing.

What a county final for our U16 rugby team! Playing against Redruth School in the county cup final, the boys played a fantastic game to finish 24-17 and be crowned U16 county champions. Well done, what an achievement!

Congratulations to our U13 netball team who travelled to Dorset for their annual tournament this week. The girls played some fantastic games winning 4 out of 5 matches. Meanwhile, our U14 narrowly missed out on a place in the semi-final of the Sisters in Sport Bowl national competition against Wellington, ending with a score of 29-28.

Well done to the 1st Year girl cricketers, who won both of their matches and qualified for the U12 indoor cricket finals in March.

The U13A and B girls' hockey teams enjoyed a fantastic day of hockey in their county tournament. The B side came a brilliant 3rd place in the group and the A side won the county title for second year in a row. They were outstanding throughout the day and won all of their matches with slick passing hockey and scoring some impressive goals. The team now progress to the regional finals later this term.

Our U12 netball team welcomed our U11 netball team over to the SBA this week for a friendly match. The girls showcased their impressive skills, putting into practice what they have learned throughout the term.

On the Astro, our U12 and U13 boys had a busy week of hockey playing Penryn College. These were closely contested matches with Truro winning the U13 game 4-3 and Penryn were victorious in the 0-1 U12 game.

And finally, we would like to wish Tara and Jacques lots of luck as they continue preparing for the national championships in a few weeks. They're hoping for a place at the World Youth Games in July and training hard at the moment.

London's Musical Extravaganza

Sixth Form Music and Drama students embarked on an exciting journey to London, immersing themselves in the world of theatrical brilliance. The highlight of their adventure was a spellbinding performance of "Guys and Dolls" at the Bridge Theatre, followed by an awe-inspiring rendition of "Cabaret" at the legendary Kit Kat Klub.

The students also participated in a West End workshop and explored the renowned National Theatre on a guided tour. It was a thoroughly packed and enthralling two-day trip to remember for a lifetime!

Upcoming Cookery Classes

We are back into the swing of things here at The Cookery School with our Thursday night Cook and Chat Classes and Saturday Adult and Child Classes.

National Croissant Day

& French Writing Competition

Have you heard of Francis Ponge (1899-1988)?

He was called “the poet of things” because simple objects like a plant, a shell, a pebble, a piece of bread or even a piece of soap are the subjects of his prose poems. So, could you write about our French National Treasure, le croissant?!

Can you give to our croissant its dignity, and the attention that it deserves?

The Truro School Art Collection Goes On An Outing

ROYAL CORNWALL MUSEUM

In the early 1980s David Heseltine, then Head of Art at Truro School, found himself frustrated that the independent status of the school barred it from borrowing artworks from the Cornwall Council Schools Art Collection. He was convinced that the school should begin its own Collection in order that generations of students might learn from looking at the real thing. Today, the Collection encompasses nearly 300 artworks representing a veritable A-Z of late 20th and early 21st century artists, the majority of whom lived and worked in Cornwall and some of whom attained international recognition.

The Collection is rarely seen, and it is only the second time that the Collection has featured in an exhibition at the Royal Cornwall Museum in forty years. The exhibition draws from David's unique personal archive and anecdotal reminiscences that amplify the personal generosity of the many artists whom he visited in their studios who either gifted to the Collection or whom he purchased from.

SOCS Parent Login: Parent Help

If your school has set up Single Sign On, you will be taken to your school's page login (e.g. Microsoft, Google, MySchoolPortal) where you can log in. If your school has not set this up, you will need to activate your SOCS account. Please follow the steps below:

1. Access your school's SOCS login page by searching for the school on the following link:

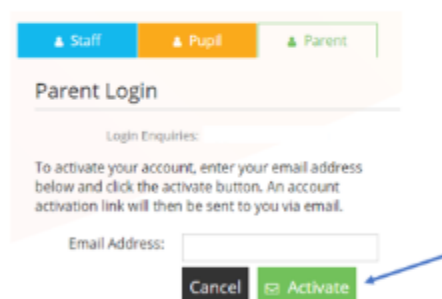

<https://www.socscms.com/login>

2. Select the 'Parent' tab
3. Select 'Activate Account' as indicated on the screen shot below:

The screenshot shows the SOCS Parent Login page. At the top, there is a logo with five colored petals (green, yellow, orange, red, purple). Below the logo are three tabs: 'Staff' (blue), 'Pupil' (orange), and 'Parent' (green). The 'Parent' tab is selected. Underneath the tabs is the heading 'Parent Login'. Below this, there is a section for 'Login Enquiries' with fields for 'Email Address' and 'Password'. There is a checkbox for 'REMEMBER ME ON THIS DEVICE' and two links: 'FORGOT PASSWORD' and 'ACTIVATE ACCOUNT'. A blue arrow points to the 'ACTIVATE ACCOUNT' link. At the bottom of the login section is a green 'Login' button.

4. Enter the email address the parent has registered with the school, and then select 'Activate'.

The screenshot shows the SOCS Parent Login page with the 'Parent' tab selected. Below the tabs is the heading 'Parent Login'. Underneath, there is a section for 'Login Enquiries' with the text: 'To activate your account, enter your email address below and click the activate button. If you experience any issues receiving the activation link via email, please ensure to check the following:

- Check the email has not been sent to your junk folder
- Add 'noreply@misocs.com' and 'parents@misocs.com' to your safe senders list and try re-activating your account again

How to Access Password Protected Team Sheets

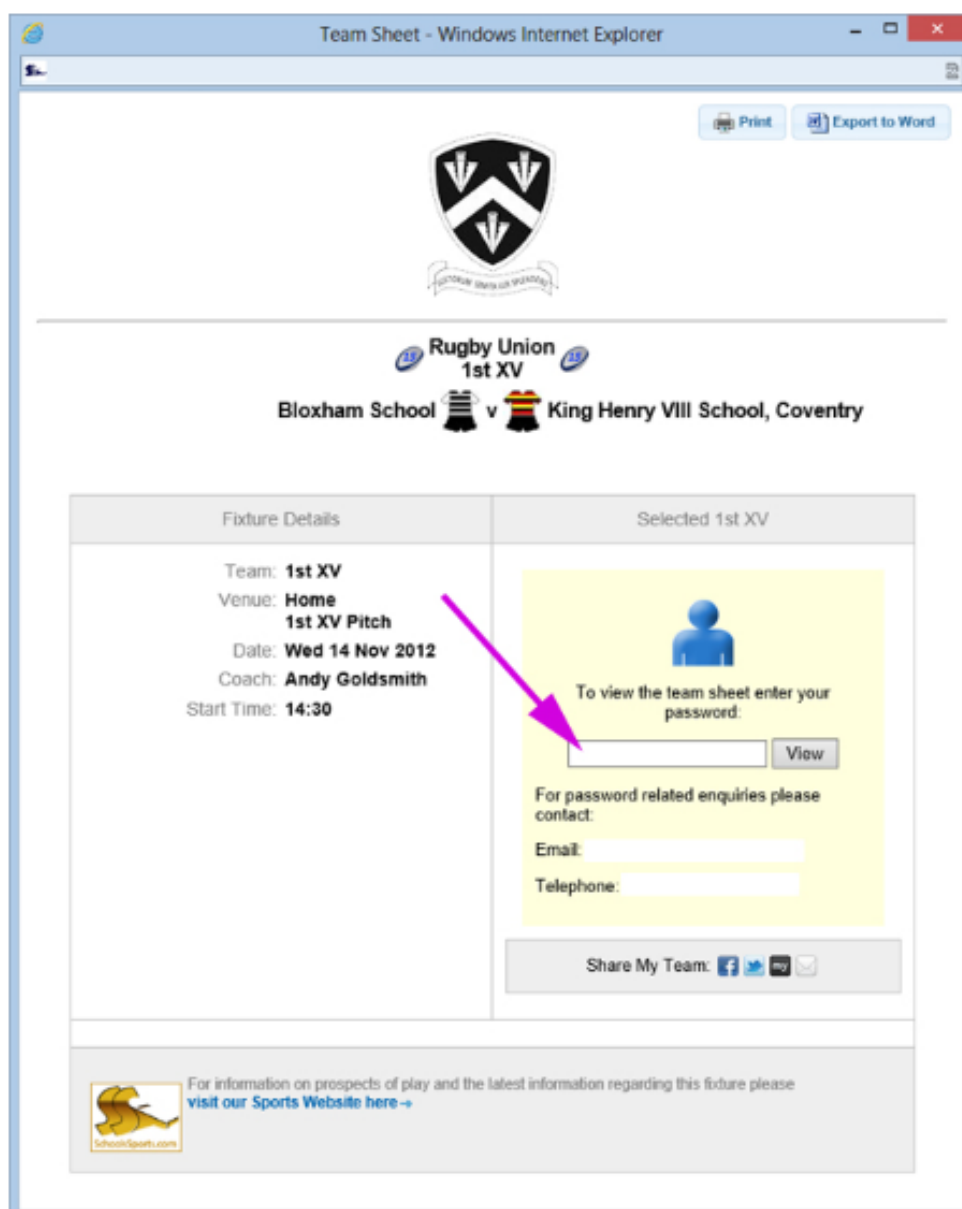

To access team sheets you should follow these steps:

Step 1: Navigate to your school's sports website.

Step 2: Find the team and the fixture that you are looking for and click the "little blue man", which is located to the right of any fixture with a published team sheet.

Step 3: The screen below will appear and you can enter the password the school has provided to access team sheets. Please note: a username is not necessary.

If you do not have a password (and for other password related enquiries) you should contact your school. You will find the school's contact details as illustrated below.

The screenshot shows a web browser window titled "Team Sheet - Windows Internet Explorer". The page features a school crest at the top center, flanked by "Print" and "Export to Word" buttons. Below the crest, the text reads "Rugby Union 1st XV" and "Bloxham School v King Henry VIII School, Coventry". The page is divided into two main sections: "Fixture Details" and "Selected 1st XV".
